Returning to Life

"Above all, maintain constant love for one another, for love covers a multitude of sins. Be hospitable to one another without complaining. Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received. Whoever speaks must do so as one speaking the very words of God; whoever serves must do so with the strength that God supplies, so that God may be glorified in all things through Jesus Christ. To him belong the glory and the power forever and ever. Amen." —1 Peter 4:8-11

The sounds of summer have begun. The weather is finally warm enough that I can occasionally open my windows. I hear birds, lawn mowers, classic cars, tractors, and children. It's always exciting when our little village of Wiota returns to life, especially after a long, hard winter during which everyone hibernates indoors.

Five years ago I moved to this little town, just a few days before Christmas. It wasn't until this time of year when the park and ball diamond and food stand came to life. My first thought was: "where did all these people come from?" Children and adults of various ages would step onto the ball field for a little fun and play. Warm smiling faces would serve up hotdogs from the food stand. Ahh, the sounds of summer!!

Now that I've been around for a while, there are other sounds I notice too. It's the quiet sound of people serving this community, working tirelessly and without recognition. They're not looking to be thanked. They do what they do simply because they love this town. Just three days ago a few folks cleaned the bathrooms in the park, sweeping and scrubbing. Weeds below the bleachers and in the volleyball court are silently tackled by human hands. Fresh coats of paint are added where necessary. The food shack is restocked and reorganized. Garbage cans (and recycling bins!!) get a facelift. The ball diamond and volleyball court are dragged, grass is mowed, and light bulbs replaced.

It's the joy of serving—no paycheck here—maybe an occasional thank you there. And the people that do this work are more than happy to do it. They know and understand how their efforts bring this community together. They beautify the park and then the community is further beautified when we all come together for sport and fun and social interaction. This really is a beautiful town to be a part of!!! And regardless of where you actually live, by being a member of Wiota church, you are a part of the wonderful Wiota community. You are a part of something small, and yet something incredibly great!!!

So I hope to see you out and about this summer. (I think it goes without saying that I hope to see you in worship—at least semi-regularly.) But I also hope to see you out and about at the park, in the food stand, in the bleachers, on the swings, in our community garden, pulling weeds.....somewhere. Because we live in a beautiful community full of beautiful people!!! This place is full of warmth and great joy!

Oh... I almost forgot... Don't forget the Wiota wave if you're driving by!!

With every hope and prayer, I remain faithfully, Your brother in Christ, Pastor Luke

Highlights from the May Council Meeting

- Donations totaling \$31,000 were received to pay for the audio/visual project.
- Members of our congregation will participate in Habitat for Humanity's fundraiser at Cadiz Springs State Park.
- A community garden is being erected on the church property.
- Theology On Tap (TOT) will resume in June.

Community Garden

The purpose of our church's community garden is twofold:

- 1) To grow food for those who would like something fresh but aren't able to grow it.
- 2) To visit with those who could use some company.

We are looking for help harvesting and delivering vegetables. We would like to deliver every week. You could volunteer whenever it would fit your schedule. If you know of someone in our community that would like fresh food, or if you would like to help deliver, please talk to Courtney Bocklund, Elsa Meyer or Sandy Seffrood.

Theology on Tap (TOT) is back for the Summer!

Join us for our first meeting hosted by Jason and Jill Thomas on Friday, June 6th at their residence at 13338 Dobbs Rd., Darlington, WI at 7:00pm. BYOB, a chair for around the fire, and a snack to share. Bring out all your challenging Bible and faith questions and be sure to bring family and friends!

Parade Float

The concept and vision for this year's parade float has begun!! It will be BIG in a small way!!! If you're interested in helping put it all together, please contact Pastor Luke. Once we get a team together, we'll schedule a few "construction" dates.

Booster Seats

Do you have a booster seat in your attic that you no longer need? Consider donating it to the church. It would be great if we had two or three!!

In our prayers: Karen Noble, Carol Broge, Shirley Johnson, Clare Pehl, Hazel Miller, and our homebound members.

Also in our prayers: Leona Reed, LuAnn Komprood, Dorothy Wicklund, Delbert Shager, Barb Dinges, Mark Reilly, David Gertsch, Jaden Goninen, Nick Saataff, Rudy Gebhardt, Jayne Kent, Judy Fernstaedt, Tom Garvey, and Ruth Vosberg. Thanks to generous donations totaling \$31,000, the audio/visual upgrades will soon become a reality. Please pardon the dust and drilling during the installation process.

Once the system is installed, we will bless the equipment, that it

may be used to give glory to God.

ELCA Stories of Faith in Action: The Potato Project

By: Megan Nuehring

"Your help is needed for hungry neighbors in need ... The 2014 Seed Potato Cutting sessions are Saturday, April 26, 1-5 pm and again Sunday, April 27, as needed 1-5 pm ... Bring your own snacks and knife."

This is the announcement on IHartHarvest's website, an appeal for volunteers willing to get their hands dirty with The Potato Project.

In 2009, Walt and Linda Zawaski, members of Trinity Lutheran Church in Kutztown, Pa., started The Potato Project in Berks County with funding from an ELCA Domestic Hunger Grant. This was a project created to provide produce to neighbors who were hungry and also utilize vacant farmland. In 2012, The Potato Project was first highlighted in Living Lutheran's story, "The versatile spud."

Since then, The Potato Project has experienced amazing growth.

According to the 2013 Potato Project Report, 202,276 pounds of potatoes were harvested — nearly 100,000 more pounds than expected.

Walt states in the report, "I quietly confided to a friend that if we had a real good year, we might be able to make 160,000 pounds. But we harvested 202,276!"

This increase in production couldn't be managed solely by Walt and Linda, so in 2013 approximately 1,367 volunteers from ELCA congregations, Mennonite youth groups and Roman Catholic parishes helped with the work. The project has consistently brought individuals from all faith backgrounds together to serve their neighbors.

"The fall harvest is completely donated to local food pantries and the Greater Berks Food Bank for hungry neighbors in need," stated The Potato Project Seed Cutting announcement for 2014.

The food that is distributed to the Greater Berks Food Bank then serves about 300 charitable food programs, including Kids Cafes, pantries, soup kitchens and more. The Greater Berks Food Bank valued The Potato Project donation at \$153,729 in 2013. With this donation and donations to three local pantries, The Potato Project reaches six counties serving 22,680 people.

"The Potato Project has grown into one of our largest suppliers of fresh produce," said Doug Long, manager of marketing and development for the Greater Berks Food Bank. "What they are able to provide us is a blessing to thousands of local families in need and we truly appreciate the massive effort that is put into this wonderful project."

As the project continues to grow and volunteers prepare for the 2014 harvest — the sixth — the goal is to harvest 80,000 to 115,000 pounds of potatoes to distribute to the community. The Potato Project has even planned a service event for "God's work. Our hands." Sunday on Sept. 7, 2014.

"There is some Scripture that reads, 'the harvest is plentiful but the harvesters few.' With the greatest harvest we have ever completed in 2013, more people came together to help neighbors in need than ever before," said Walt.

Though the production and impact of The Potato Project is bountiful, no one is resting on their accomplishments. The project continues to seek more acres of land for the program, new volunteers, equipment and support. They are even trying new crops.

Their growth and mission remains grounded in Jesus' words and actions, inspiring them to love and serve their neighbors in need through offering food from the land they have been given to manage — land that provides bounty and nourishment for everyone.
